Business Office

FROM: Michigan State Industries

The MSI Mattress Factory in Jackson, MI is now producing shower curtains. The new shower curtain is 42" wide by 87" long. It contains three panels with the top and bottom panel clear for visibility. The top clear panel is 22", middle section is 41 3/4", and bottom panel is 21 3/4". It is made with a very durable staphcheck vinyl, mold/ mildew resistant. It is also fire retardant. Bottom panel can be cut for individual application. The shower curtain is excellent for prisons, jails, detention facilities, or any area that has a shower stall and needs monitoring while keeping invasion of privacy to a minimum. Please use product# 26F-3205, price is \$16.94 each. A box contains 12 curtains. CFA Deputy Director, Dennis Straub has approved the shower curtain for use in all MDOC facilities. Please contact our sales dept at (517) 373-4277 for ordering assistance.
